

## PRODUCT DATA SHEET

### Premium Edition Artist Texture Canvas

**Product Description:** Premium Edition Artist Texture Canvas (PECAT) has been designed to provide professionals with a more textured canvas. The ink jet receptive coating offers artists and publishers a wide color gamut **without the use of optical brighteners**. The opaque matte finish is water resistant which allows the use of aqueous based top coats. This canvas is highly stretchable and resists cracking when used in conjunction with IJ's water based Eclipse Finishing Solution a marked increase in color saturation, apparent contrast, and durability can be achieved. IJ Eclipse Finishing Solution is available in Satin or Gloss.

**Suggested Uses:** Photographs, portraits, fine art reproduction and any application where a more textured canvas look is desired.
